WSCS GROUP OF APPOMATTOX HOLDS PICNIC

The Woman's Societies of Christian Service of Mt. Comfort, Trinity Hermon and Bethel Churches, making up the Appomattox Charge, met last Thursday for their annual picnic dinner meeting.

The meeting was held on the parsonage lawn with approximately 60 members and friends present.

Mrs. T. M. Cunningham, president of the Mt. Comfort Society, welcomed the members and guests and led the group in devotionals.

Mrs. O. W. Martin, Jr., leader of Zone 3, recognized the district secretary of promotion, Mrs. F. C. Evans, and introduced the speaker, Mrs. W. E. Vaughan.

Mrs. Vaughan, who is also a leader from Zone 2, gave a challenging address on the "Responsibilities of Rural Christian Women." She stressed the job to be done in each community, if we would alert ourselves to the needs around us.

Attention was called to the third and fourth quadrennial goals, that "we will seek with Christians everywhere the sustaining fellowship and power of a world Christian Church," and that 'we will use all available resources to work for the things that belong to peace."

The group was dismissed by the pastor, the Rev. F. J. Wingfield.

HIGHWAY DEPARTMENT INSTALLING NEW SIGNS

More than 50 red and white stop signs have been installed on Virginia's highways as part of a gradual changeover from the yellow and black combination, the State Highway has announced.

The switch to the new sign, which highway engineers believe provides a more effective warning, is being made gradually as the yellow and black signs wear out or are damaged and have to be replaced.

Highway engineers said the use of stop signs having white letters on a red background has proven very effective in other states. Because red is commonly associated with stop or danger, it has the effect of alerting drivers more quickly than the yellow and black combination, which resembles a number of other warning signs used on Virginia's highway system.

The sign sthat have been erected so far have been installed at various points throughout the state.
